How to Claim CE Credit:

INSTRUCTIONS FOR COMPLETING ONLINE EVALUATIONS FOR CE CREDIT

1. Scan the QR Code or go to the website: <https://bit.ly/3vfpf4i>
2. Complete the online evaluations for each session you attended. *Note, you will have to create a new registration in the UT Austin CE evaluation system that is separate from your TxSUS registration.*
3. A PDF certificate will automatically be created listing sessions for which you completed evaluations, look under the “View/Print CE Credit” tab at the top of the page. [For CPE, credits will automatically be sent to the NABP profile you entered]

DEADLINE FOR CLAIMING CREDIT: June 18, 2021

Full CE Evaluation website if QR or short URL doesn't work: <https://utpharmacyce.learningexpressce.com/index.cfm?fa=view&eventID=20106>

Additional CE Information and Speaker Disclosure Statements:

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the American Nurses Credentialing Center through the joint providership of the University of Texas at Austin School of Nursing, The University of Texas at Austin School of Pharmacy, The University of Texas at Austin Hick School of Social Work, and the UT Health San Antonio Joe R. and Teresa Lozano Long School of Medicine Continuing Medical Education. University of Texas at Austin School of Nursing is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

Requirements for Successful Completion: To receive contact hours for this continuing education activity, the participant must sign in, attend the entire activity, and complete and submit the evaluation form. Once successful completion has been verified, a “Certificate of Successful Completion” will be awarded for 5.0 contact hours.

The activity's Nurse Planner has determined that no one who has the ability to control the content of this CNE activity – planning committee members and presenters/authors/content reviewers – has a conflict of interest.

ACPE UAN Numbers:

Beyond Opioids: Stimulants and the 4th Wave of the Overdose Crisis **0067-9999-21-072-L08-P** • Infectious Disease Issues Related to Injecting Opioids and Stimulants **0067-9999-21-073-L01-P** • Moving the Needle on Substance Use in Texas Panel **0067-9999-21-074-L04-P** • Hands-on Workshop 1: Behavioral Health **0067-9999-21-075-L04-P** • Hands-on Workshop 2: Peer Recovery Support **0067-9999-21-076-L04-P** • Hands-on Workshop 3: New Approaches to Substance Use for Law Enforcement and First Responders **0067-9999-21-077-L04-P** • Hands-on Workshop 4: Health care providers/ Pharmacist **0067-9999-21-078-L04-P** • Hands-on Workshop 5: Buprenorphine Treatment Pearls **0067-9999-21-079-L08-P**

Disclosures:

Conflicts of Interest: A conflict of interest occurs when an individual has an opportunity to affect or impact educational content with which he or she may have a commercial interest or a potentially biasing relationship of a financial nature. All planners and presenters/authors/content reviewers must disclose the presence or absence of a conflict of interest relative to this activity. Only one speaker for this event has disclosed a potential conflict of interest, see below. All other speakers reported no potential financial relationship connected to their content.

Dr. Ciccarone has the following relevant financial relationships, potential or perceived, with commercial or conflicts of interest to disclose: Consultant: Scientific Advisory Board: Celero Systems / Other: Expert witness in opioid supply litigation: Motley-Rice LLP

Review of Conflicts Policy: The UT Austin College of Pharmacy has a very strict policy to ensure against commercial conflicts of interest in CE programming. For this conference, the planning committee picks two committee members who have appropriate backgrounds to review content, and report any potential conflict of interest to the CPE Director. If conflict issues are discovered, they are addressed with speakers to make appropriate changes. Evaluations are collected from all participants with specific questions around the listed conflicts of commercial interest.
