Dear Sponsor,

The Be Well Institute on Substance Use and Related Disorders at The University of Texas at San Antonio is proud to host the **7th Annual Texas Substance Use Symposium (TxSUS 2026)** on **March 2-3, 2026**, at the Henry B. González Convention Center in San Antonio, Texas. Each year, TxSUS convenes a spectrum of stakeholders from around the state for a multi-day event to collaborate, converse, and advance the field of substance use treatment and recovery services. Centered around a core theme, **Science Matters**, this event features an array of continuing education sessions, skill-building workshops, and collaborative breakout sessions. TxSUS offers participants the chance to engage with national and local experts, connect with their peers, learn about emerging and best practices in the field, and contribute to a critical conversation on improving care.

Your sponsorship is critical in sustaining this unique event. As a TxSUS sponsor, you will also be connected to a large network of stakeholders across Texas dedicated to ending the burden of substance use on our communities. Visit www.TxSUS.org to learn more about who we are, what we do, and how you can participate.

100% of your support goes towards:

- Providing a continuing education symposium for hundreds of attendees motivated to improve substance use services and programs in Texas and beyond
- Funding travel for top national expert speakers to deliver essential insights to Texas communities
- Underwriting additional costs associated with the event (wi-fi, conference refreshments, audio-visual, speaker costs, etc.)

By supporting TxSUS, you join a coalition of leaders, organizations, and networks dedicated to addressing challenges, driving innovative solutions across Texas, and advancing our shared commitment to evidence-based care. We're excited to welcome you to TxSUS 2026 and look forward to seeing you there! Thank you for supporting this important event.
