(Drug & Device Companies)

March 25-26, 2027

Henry B. González Convention Center
900 E. Market St, San Antonio, TX 78205

TxSUS@uthscsa.edu

Dear Exhibitor,

The Be Well Institute on Substance Use and Related Disorders at The University of Texas at San Antonio is proud to host the **8th Annual Texas Substance Use Symposium (TxSUS 2027)** on **March 25–26, 2027**, at the Henry B. González Convention Center in San Antonio, Texas. Each year, TxSUS convenes a spectrum of stakeholders from around the state for a multi-day event to collaborate, converse, and advance the field of substance use treatment and recovery services. Centered around a core theme, **Science Matters**, this event features an array of continuing education sessions, skill-building workshops, and collaborative breakout sessions. TxSUS offers participants the chance to engage with national and local experts, connect with their peers, learn about emerging and best practices in the field, and contribute to a critical conversation on improving care.

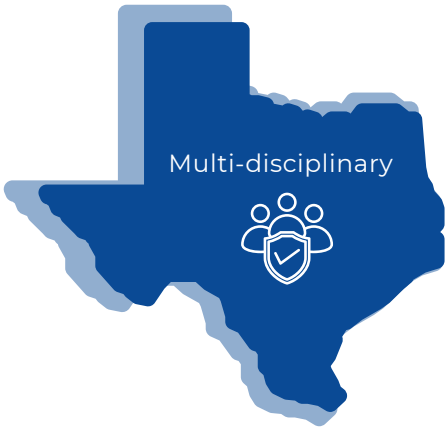

Your sponsorship is critical in sustaining this unique event. As a TxSUS exhibitor, you will also be connected to a large network of stakeholders across Texas dedicated to ending the burden of substance use on our communities. Visit **www.TxSUS.org** to learn more about who we are, what we do, and how you can participate.

100% of your support goes towards:

- Providing a continuing education symposium for hundreds of attendees motivated to improve substance use services and programs in Texas and beyond.
- Funding travel for top national expert speakers to deliver essential insights to Texas communities.
- Underwriting additional costs associated with the event (speaker costs, wi-fi, conference refreshments, audio-visual, etc.).

By supporting TxSUS, you join a coalition of leaders, organizations, and networks dedicated to addressing challenges, driving innovative solutions across Texas, and advancing our shared commitment to evidence-based care. We're excited to welcome you to TxSUS 2027 and look forward to seeing you there! Thank you for supporting this important event.

For any questions, please contact us at: **TxSUS@uthscsa.edu**.

Sincerely,

Jennifer Sharpe Potter, PhD, MPH
Senior Executive Vice President for Research and Innovation,
The University of Texas at San Antonio

Adrienne Lindsey, DBH, MA
Director, Center for Substance Use Training & Telementoring
Assistant Professor,

***Notice of Independence from pharmaceutical companies, distributors, biomedical and device manufacturers.**
The Texas Substance Use Symposium (TxSUS) and its collaborators adhere to strict guidelines in relation to commercial independence for all continuing education programs and events. In an effort to ensure attendees view the program as clear of potential or perceived bias, TxSUS and its collaborators have decided not to allow pharmaceutical companies, distributors, biomedical, and healthcare-related device manufacturers to serve as Sponsors of the symposium. However, these entities may take part in exhibiting for a fee and their support will be disclosed to attendees in the format described up above.
